AWAKENING

Marist Jim Duffy, pastor at Our Lady of the Assumption parish in Atlanta, Georgia reflected:

*"I believe this has awakened spirituality
in many people."*

MARIST PRAYER FOR HEALING

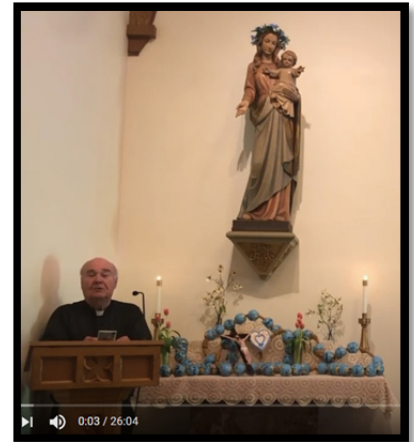

Healing Lord, we pray through the intercession of our Founder, Father Jean-Claude Colin and Mary, Mother of Mercy, for all people affected by the new coronavirus, that everyone may know your love and protection.

We pray for all Marists throughout the world, especially for our senior and vulnerable brothers and sisters. May we know your special protection and care.

We also pray for all those with whom we share the Work of Mary and for all whom we serve in our different ministries.

May all people experience your healing and protective grace in all that is happening among us.

+Amen
