PRAYER FOR TONGA

On Monday the Superior General and members of the General House community participated in vespers for Tonga, in the basilica of Santa Maria in Trastevere. The prayer was organised by the community of Sant'Egidio and presided over by Card. Michael Czerny sj, interim head of the Dicastery for Promoting Integral Human Development. The cardinal said during his meditation how "prayer wants to break the isolation and shorten the distances. Those who suffer are never far from us, called to share with the human family a single destiny, in the common home that is the earth."

Frs Pat Devlin, Ben McKenna, Lutoviko 'Olie, Card. Czerny, Fr John Larsen and Mgr. Marco Gnavi, the Parish Priest.

ECO - GENERAL HOUSE

Au début de l'année dernière, le supérieur général et son conseil ont approuvé le projet d'installer des panneaux solaires sur le toit de la maison générale; cela fait partie de notre stratégie pour mettre en œuvre le plan Laudato Si. Les panneaux sont installés et profiteront de l'incitatif du gouvernement consistant à rembourser la moitié du coût de l'installation. Actuellement, une bonne partie de l'électricité de la maison générale provient des panneaux solaires.

INDEX 2022

The distribution of Index 2022 to all units has started this week. The index gives a picture of the Society on 1 January 2022. It reports the following numbers:

Province/District	Priests	Brothers	Scholastics	Total
