us carry out our ministries as true shepherds. It does not intend to replace any other official documents of the Church and the Society. It is merely an aid for our conduct in serving the people who are entrusted to our care..."

The above is an excerpt from the Statement of Commitment written by 12 Marists, ordained 5 years and less, after 11th to 17th January workshop in Suva. It was entitled "Just Ministry". This workshop was an attempt by the Province to continue developing "their missionary hearts, heads and imitations" (ARC 2018), and "to enable them to reflect on

their experiences and to share their concerns and joys with their peers" (PC 2017).

Fr Soane 'Ahohako sm was tasked with the facilitation of the workshop and assisted by the Provincial Council. The Inputs of the workshop were varied and included Youngest, Mikaele Tuilau, presenting to the Provincial their Statement of Commitment.

the following: Ministry as vocation and profession, the character and virtues of ministers, confidentiality, power and boundaries, sexuality, preaching and pastoral care, community for mission, and one in mind and heart for life and mission. The participants were appreciative of the time given to them to come together, and some participants wrote in their evaluations, "A very timely workshop", "the workshop re-

sponded to my needs", "the sharing with my peers was very encouraging", "I am so glad that I was able to write my own code of ethics"....
